

Malaysia External Trade Development Corporation (MATRADE) is Malaysia's national trade promotion agency and is a non-profit organisation.

As a one stop source, MATRADE assists individual companies looking for suppliers or business partners and visiting manufacturing companies in Malaysia.

Other services include trade advisory services and assistance with business enquiries as well as organisation of trade missions and delegation visits around the world. MATRADE is represented worldwide at 40 locations in major commercial cities.

MALYSIAN EXHIBITORS @ HANNOVER MESSE 2020

20 – 24 APRIL 2020

Hall 11 : Automation Motion & Drives Hall / 84 sqm (Hall 11 Stand E81)

1	ELECTRICAL COMPONENTS SDN BHD	www.elco.com.my/	Manufacturer: Capacitors, reactors, regulators. The first and only Aluminium-Cased Cylindrical 3-phase Low Voltage Power Capacitor manufacturer in Malaysia, which offers solutions to power factor correction issues with its PFCC and PFCT product ranges for the improvement of energy efficiency.
2	FURUTEC ELECTRICAL SDN BHD	www.eita.com.my/	A leading supplier to electrical contractors, switchboard fabricators and OEM. The company has the capabilities to design and manufacture elevators and busduct systems and also a range of electrical and electronic components and equipment under own brand names.
3	I-STONE SYSTEMS SDN BHD	www.i-stone.com.my/index.html	Manufacturer: Automated test equipment, Process automation. The company started as a design house to provide system integration for manufacturing test and measurement system. One-stop solution: From conceptualisation to actual prototyping with deployment to manufacturing floor.
4	REGALTECH (M) SDN BHD	www.regaltech.com.my/	An industry 4.0 driven solution provider and engineering house with full capabilities to carry out systems and solutions design (including mechanical design, installation of instrumentation, system integration, software and app developments as well as training). The company solves OT (Operation Technology) and IT (Information Technology) challenges of the IIoT (Industrial Internet of Things) and offers the best business outcomes with a tailored made software solution consisting of end-to-end middleware.
5	SWIFT BRIDGE TECHNOLOGIES (M) SDN BHD	www.swiftbridgetechnologies.com/	Manufacturer: Cables and accessories. Custom cable solutions for the commercial test and measurement market. The company specialises in cable solutions for high density board-to-board interconnects, logic analysis, real time oscilloscopes, digital storage oscilloscopes and 110 GHz signal transmission.
6	TMS LITE SDN BHD	www.tms-lite.com/	Manufacturer: Display products, LED, Technical Testing, LED lighting for machine vision industry. The company is a solution provider for the Machine Vision Industry and produces a wide range of illuminators, coupled with a variety of controllers and accessories, including rapid prototyping on custom illuminators and specially designed lighting according to the customers' needs.
7	TS ELECTRICAL MARKETING SDN. BHD	www.tselectricalmarketing.com/	Manufacturer: Smart switchboards / control panels. The company's core business encompasses the design, fabrication, installation, commissioning, maintenance and servicing of various electrical equipment. These include PLC control panel, soft starter control panel, MCC control panels, switchgear and more.

Hall 16 : Digital Ecosystem Hall / 51 sqm (Hall 16 Stand F44)

8	GALACTIC ADVANCE ENGINEERING (M)	www.galactic-eng.com/	Manufacturer / Service Provider: Siemens Industrial Automation Hardware and Software as well as Smart Industry 4.0 solutions. The company develops and build highly specialized automated prototypes of production machines from concept.
9	LUMINANCE SYSTEM SDN BHD	www.luminancesys.com/	Manufacturer: Lightings for commercial applications. Luminance Systems provides an innovative and comprehensive range of professional lighting and control systems for commercial, industrial, architectural and niche applications.
10	ORANGELEAF CONSULTING	www.orangeleaf.com.my/	Service provider: Automation software, digital innovation for enterprises. The company is helping their clients to reach their digital transformation goals smoothly.
11	RADICA SOFTWARE SDN BHD	www.radicasoftware.com/	Service Provider: CAD/CAM Integrated Engineering services for industrial plants including power plants.
12	SERVICE4U SDN BHD	www.service4u.asia/	Service provider: Cloud IoT platform and device integration. Cloud Voice Announcement, Cloud Intercom, Cloud Interactive Voice Response (IVR), Contact Center.
13	SUPREMESOFT (M) SDN BHD	www.supremesoft.com.my	Service Provider: Software: anti counterfeit, traceability and digital marketing. The company specialises in Manufacturing & Supply Chain industries, offering a solution and platform to collect data by IOT with "One Thing One Code" technology including cloud transfer for Big data analytics in order to optimise the business activities.

Hall 22: Engineering Parts & Solutions Hall / 51 sqm (Hall 22 Stand B64)

14	SEONG HIN PRECISION ENGINEERING	www.seonghin.com/	Manufacturer: Precision parts and components. The company offers precision trim/form toolings, transfer mold parts, jigs and fixtures mainly for the semiconductor industries.
15	LOCAL CASTING SDN BHD	www.localbasic.com.my/	Contract Manufacturer: Aluminium Die Casting, Precision Machining, Surface Treatment/Finishes like Buffing, Tumbling, Shot Blasting, ED-coating, Anodizing, Laser Marking etc.
16	DAEPAC INDUSTRIES SDN BHD	www.daepac.com	Contract manufacturer : Custom metal stamping. The principal activities are custom metal stamping, multi-slide parts and mechanical assemblies.
17	SP TEAMS MANUFACTURING SDN BHD	www.spteam.com.my/	Manufacturer: Precision parts and components. The company offers precision trim/form toolings, transfer mold parts, jigs and fixtures mainly for the semiconductor industries.
